A recent graduate from the University of the East with a degree in Bachelor of Science in Computer Engineering carrying a fervent passion for delving into the realms of hardware and software development, data engineering, and Internet of Things (IoT). Possessing a solid foundation in computer engineering fundamentals coupled with a hunger for continuous learning, I am eager to contribute my skills and knowledge to dynamic projects while continuously expanding my expertise in cutting-edge technologies.

## WORK EXPERIENCE

### Applications and Development Support IT Services Intern

Far Eastern University – Manila

Company Address: Nicanor Reyes St, Sampaloc, Manila, 1015, Metro Manila, Philippines (June - August 2022)

- Build custom PowerApps solutions tailored to the needs of different departments, integrating them with the Yammer API.
- Utilization of Postman software using JSON Web Token for authorization.
- Develop PowerApps components for features such as discussions, notifications, and user engagement.
- Managed user permissions and access control through Azure Active Directory, ensuring that users only had access to relevant Yammer resources based on their roles and responsibilities within the organization.
- Create user guides and documentation to assist end-users in effectively using the integrated PowerApps and Yammer solutions.

### Encoder and Media

#### Transcriptionist

E-Scribir Inc.

Company Address: 145 Yakal Street, San Antonio Village, 1203, Makati City, Metro Manila (2015 - June 2019)

- Encode customer's data based on automated speakers (BeVocal Department 2015-2016)
- Ensure accurate translation while considering cultural nuances, context, and timing constraints.
- Adjust subtitle timing according to client's protocol and synchronize translated text with the video's audio and visual cues.
- Ensure that subtitles don't overlap or appear too briefly, allowing viewers to comfortably read them.

## CHARACTER REFERENCE

### Edwin R. Fallorina

Co-owner, Director

Hydrus Inc.

Contact No.: (+63)917-626-6645

### Tommy B. Reyes

Manager, Applications and Development Support IT Services

Far Eastern University - Manila

Contact No.: (+63)917-828-2708

## EDUCATION

College

(June 2019 - July 2023)

### Bachelor of Science in Computer Engineering University of the East, Manila

Thesis Title: *Design and Development of a Low-Cost Coffee Bean Sorting Machine Through Machine Learning*

## SKILLS

- MS Excel, Word, PowerPoint, PowerApps and SQL
- Java
- C++
- Python
- HTML
- CSS
- TypeScript
- PHP
- Bootstrap
- React
- ASP.Net Core
- Git

## CERTIFICATES

**Huawei Certification –  
HCIA IOT** (December  
2025)
